## EXPERIENCE

### UI / UX-designer

HI-STORY SWEDEN | OCT 2020 - CURRENTLY

Since October 2020 I have been a part-time employee at Hi-Story. The company works with technical systems for audio guides and associated exhibition equipment. I have worked independently as a UI / UX-designer in the development team.

### Graphic Designer

BÄSTA KOMPISAR | JAN 2017 - AUG 2020

At Bästa Kompisar, which is one of Malmö's largest advertising agencies, I have worked extensively with various forms of 2D art including web design, branding, print, illustrations, and retouch. I have worked in both large teams and independently.

### Graphic Designer

POPULÄR POESI | AUG 2017 - CURRENTLY

Populär Poesi is a Swedish poetry magazine that publishes 4 times a year (+- 70 pages). Since 2017 I have been fully responsible for the design and layout of the magazine.

### Graphic Designer **VOLONTEER WORK**

PICKNICKFESTIVALEN | 2016 - 2018

During 2016-2018, I worked as a designer for Picknickfestivalen Göteborg. The work consisted of branding and production for their various events as well as the main festival.
